Dear IC Parents/Guardians,

June 14, 2019

I hope this letter finds you and your family enjoying your summer vacation. While IC students have begun their summer vacations many of us are busy preparing for the upcoming 2019-2020 school year. During the summer break the school will be deep cleaned, the third grade hallway floor will be completed, and all of the floors will be waxed to a super shiny sheen.

I would like to take this moment to thank each of you for choosing Immaculate Conception Catholic School. We pride ourselves on offering a challenging curriculum while instilling high moral values and respect in our students. As our School Mission/Vision Statement says:

**“Inspired by faith in Christ and together with our parents, parish and communities, we aim for Spirituality, Integrity, Knowledge, Respectfulness, Responsibility, and Compassion.”**

IC continues to use FACTS for all transactions, i.e. financial and demographics. This allows all fees, such as registration, resources, lunches, yearbook, Extended Care etc. to streamline processing for yours and our convenience and record keeping.

The first FACTS deduction will be in July for resource fees. Tuition payments begin in August. Once again in 2019-2020 school year families may opt for an 11 month, one time or semester tuition payment plan, otherwise it defaults to a 10-month payment plan. Please contact Micki Herbold, [mherbold@icsnlr.org](mailto:mherbold@icsnlr.org) if you wish to change it from the default 10 months.

IC’s annual “Back2SchoolDaze” is scheduled for Monday, August 12. **It is mandatory that each family attend**, as there are many important bits of information to share with students and their families.

The schedule for IC’s, “Back to School Daze” is as follows:

**Monday, August 12, 2019**

8:30 AM – 11:00 AM  
3:00 PM – 5:00 PM

**New IC students** and parents will attend (begins in the cafeteria)  
**Returning IC students** and parents will attend (in the main school bldg.)

During these times, new parents will learn about IC School from school administration, school board, and PTO. Important information will be covered and the students will be able to meet their teacher, see their classroom, and drop off any supplies they may have.

Returning parents may update any current information included on their FACTS Family Online (Parent’s Web). Each parent’s Safe Environment Program, CMG requirements, may be updated at this time and the new Driver Curriculum may be addressed.

Both new and returning families will be able to volunteer for various school activities, order FalconFest/Monday shirts, place/receive uniform orders from Toggery, as well as receive CYM and Athletics information. At the same time the I.C. Back to School Book Fair will be going on so you will have a chance to purchase books or just window shop for your student readers.

Please take the time to review all the “Summer Info” area on our website and download The Toggery order form if needed.

If you have any questions please do not hesitate to call, 501-835-0771 and leave a message. I will be checking our voicemail regularly during the latter part of June and the month of July. You may also email me at [principal@icsnlr.org](mailto:principal@icsnlr.org).

I hope that you and your loved ones continue to have a very blessed and enjoyable summer break!

God’s Peace,

Marcia Brucks  
Principal
