Classroom Procedures

- Each student will be assigned their own spot and supplies in the classroom
- There will be 3-4 students assigned to a pod (group of tables)
- Students will be separated by plexiglass
- PK4 WILL be required to wear masks. There will be “mask breaks” at times such as snack time, lunch, and nap time

Classroom Procedures

- If students use materials around the classroom they will be disinfected before any other student uses them
- We will not do activities where students sit on the floor unless we can seat them 6 feet apart
- We will monitor and adjust as we go

Moving Around The School

- Students will be doing very little moving around the building
- There will be schedules for **EVERYTHING**- here are some examples:
 - Recess
 - Lunchroom schedule
- This is to ensure appropriate sanitizing can be done between uses

Recess

- There will be a schedule for PreK 3 & 4 classes to go out to recess
- Each class will be assigned their own time for the playground
- Playground equipment will be disinfected between class uses
- Playground toys will not be shared
- Students will be kept apart as much as possible

Lunchtime

- **ALL STUDENTS MUST BRING A LUNCH FROM HOME...We will not have extra lunches on campus**
 - **If a student does not have a lunch a parent will be called to bring one to school**
- **Students will eat lunch in the classroom most days, however there will be a schedule for us so we can rotate through the cafeteria on occasion**
- **Milk will be provided**

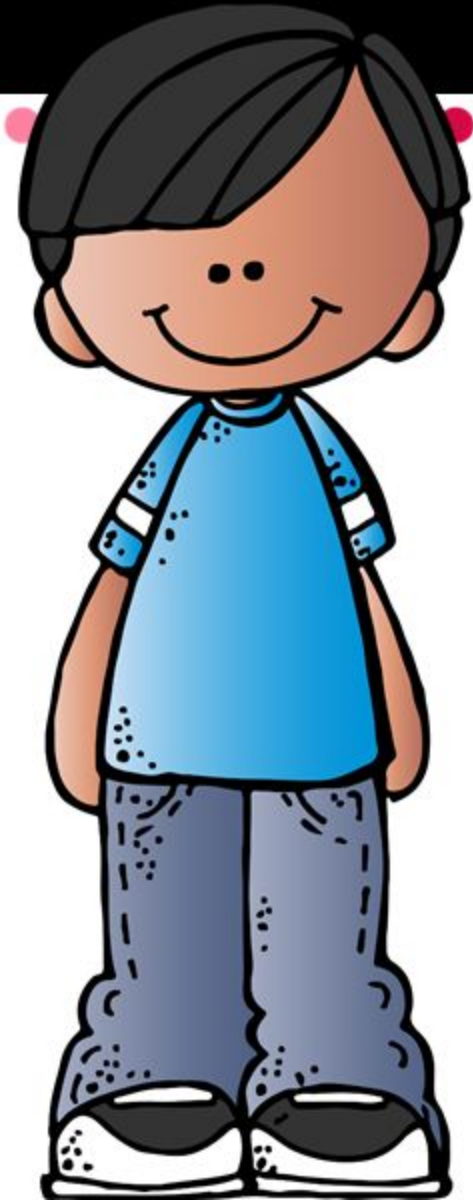

Drop Off

- School **BEGINS** at 7:50 A.M.
- **Everyone** may drop off starting at 7:15 A.M.
- PreK 4 Students will go straight to their classroom **accompanied by a teacher**
- Each child's temperature will be taken before they exit the vehicle
- Any student with a temperature of 100 degrees or above will not be allowed to enter the school
- If you carpool and any child in your car has a temperature of 100 degrees or above, none of the students will be allowed to enter the school
- The adult dropping your child off will electronically sign them in each day

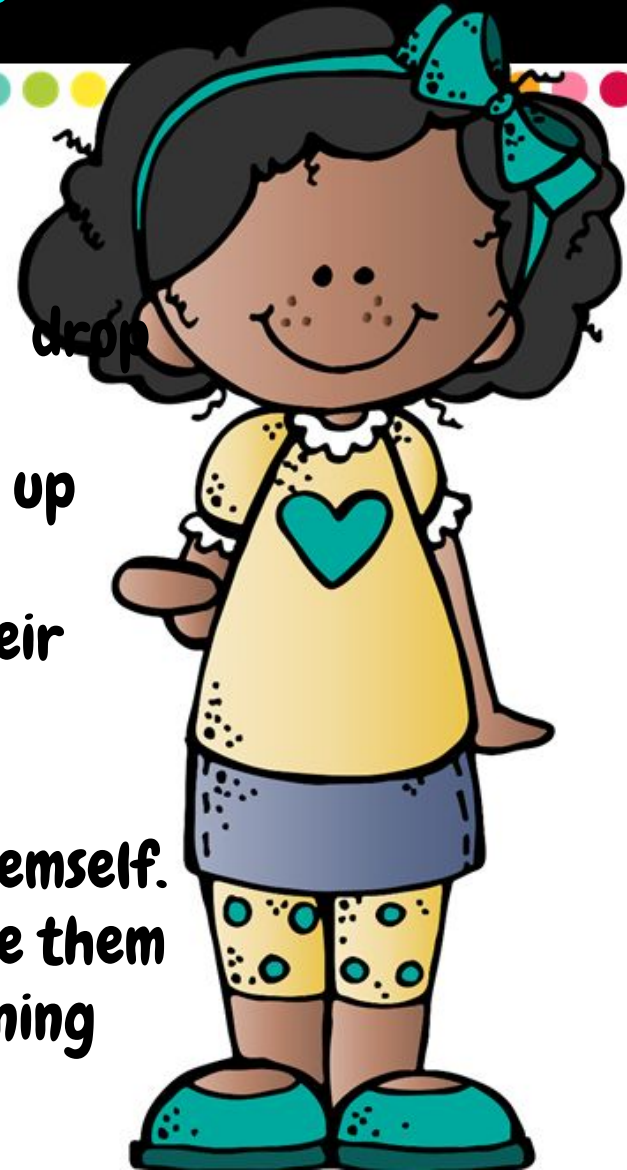

1st Day Drop Off

PLEASE DON'T PANIC...WE HAVE A PLAN 😊.
We understand it is important for parents to see where their child will be during school and get those 1st day pictures. However, we are only allowing essential personnel in the building. With that being said, parents will not be able to enter the school building to walk their child to class the first day. Please know this was not an easy decision, but we are keeping all children's safety in mind.

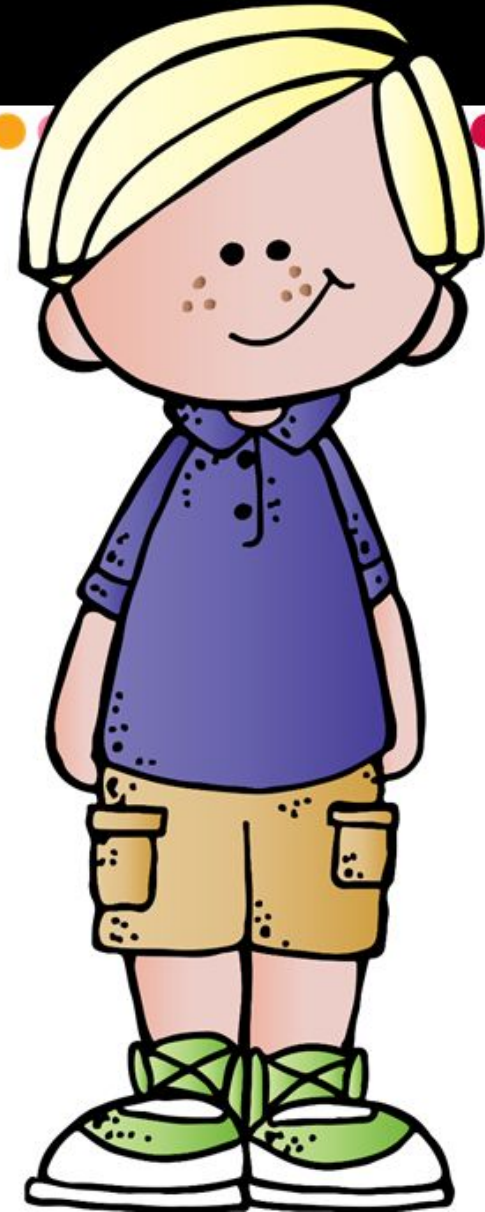

Pick Up

- **PreK 4 Pick-Up begins at 2:30**
- **Families will be assigned a pick up spot**
 - **This will be the same as your morning drop off spot**
 - **Please add anyone that you want to pick up your child to your renweb account**
- **Students will wait in their classroom until their name is called and will be accompanied by a teacher to your vehicle**
- **PLEASE practice having your child buckle themselves. We will not be able to lean into cars to buckle them**
- **This will likely take a bit longer in the beginning and we will monitor and adjust as needed**

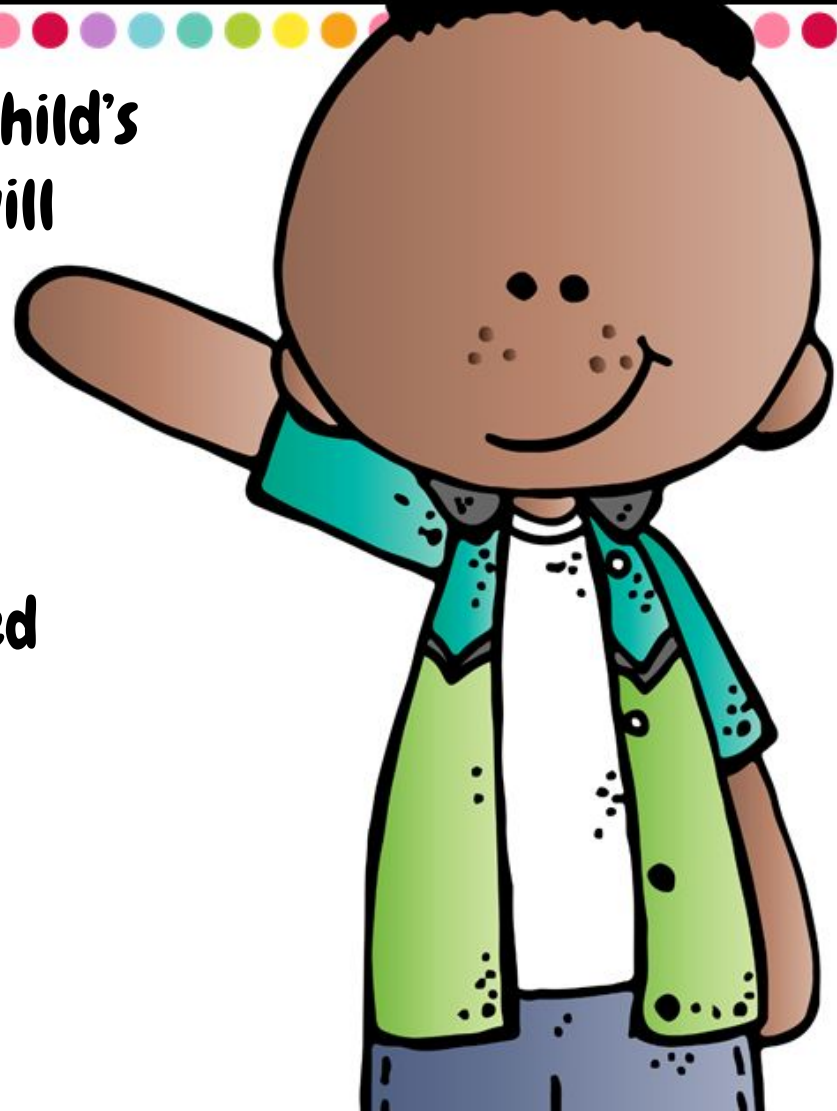

Birthday Treats

- **Birthday treats are still welcome in PreK 4**
 - We do ask they are store bought and individually wrapped
 - Unfortunately we cannot have homemade cupcakes, cake, cookie cake, etc.
 - Acceptable treat examples are (but not limited to) individually packaged cupcakes, cookies, ice cream, etc.
 - Treats must be sent in with your child, or you must call the office and have a staff member come pick them up

Mass

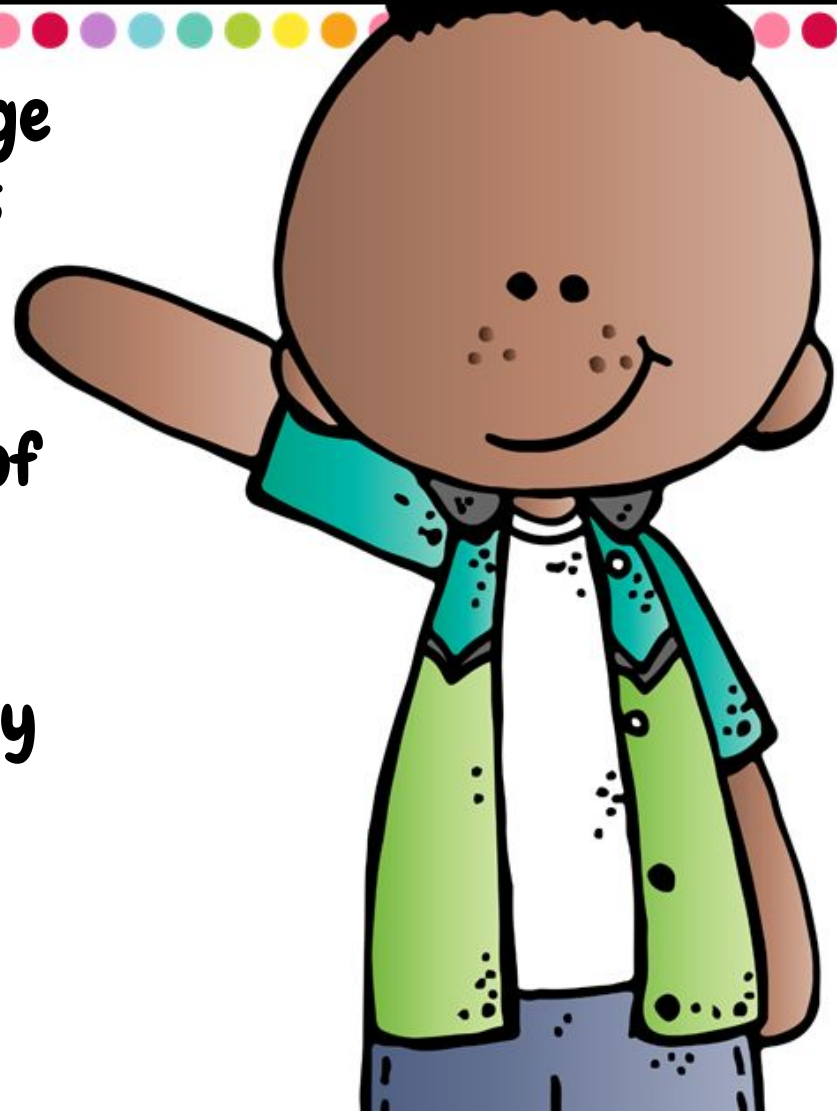

- Mass is an important part of your child's Catholic education, therefore we will have Mass for PreK 4 students
- We will begin the school year with Mass being live-streamed to our classroom
- We will monitor and adjust as needed

PreK4
