

2020 I.C. Summer Program Course Descriptions

Grades 1-2

Mrs. Moore: Who's ready for a week full of adventure? Come take a hike this summer with Freddie Falcon and hear a few TALL TALES around the campground. There will be plenty of projects going on too! Hope to see you soon!

Ms. Stoll: Be the Catch of the Day and come TAKE A HIKE with Ms. Stoll to explore the wonders of science in nature. It will be S'More fun than you can imagine! Happy trails to happy campers!

Mrs. Escovedo: Let's get FIRED UP for Freddy Falcons' Summer Camp Out. I cannot wait to play S'MORE games and learn how to BE SWEET and STICK together. Everyone is sure to leave a HAPPY CAMPER!

Grades 3-4

Mrs. Bibb: Come explore the great outdoors! There will be hands on crafts and activities and even a scavenger hunt! We will have s'more fun than you can imagine!

Mrs. Aldridge: *Sport Stacking*

Are you ready for a "STACKING" good time? Learn to Upstack and Downstack really fast! Hike on over and join us on a winding trail as we move from the 3-3-3 to the 3-6-3 and then to the Summit- **The Cycle** 😊

Put on your tennis shoes, grab your water bottle and get ready for some friendly competition!

PS...Speed Stacking fires up both sides of the brain and stacking on a regular basis has shown an improvement in student test scores and

concentration...whoa, that's awesome!!! It's a no brainer, sign up for the 2020 IC Summer Program!

Mrs. Drake:

Join us for an exciting week full of sports and games! We will play a variety of games, including ships and sailors. We will also play several sports, including basketball. You don't want to miss out on playing new games, building new skills, and having a blast with friends! Can't wait to see you all there!!

Grades 5-8

Mrs. McClinton:

Students will look to nature for inspiration during the week in art class. We will create flower pressings and frame them, hand build mounted animal head sculptures, and mix and make our own watercolor paints out of fruits and veggies for a self portrait. It will be a great time full of creativity and exploration!

Chef Erica & Mrs. Moody: Calling all Jr. Chefs...“HIKE ON IN TO THE KITCHEN” with us for some great FUN!!! You will be able to make a variety of healthy snacks and join in on the “taste-testing”.

HEALTHY CAN BE YUMMY!!!

Miss Escovedo: Want to learn a sport you have never played? Join us this summer to learn the ins and outs of basketball, kickball, and two new SURPRISE games! Once you have mastered the skills, you will have the opportunity to compete in these activities throughout the week. Bring your motivation and competition to the test and you'll be sure to have a great time!
