

# 2022 I.C. Summer Program

## Course Descriptions

### Grades 1-2

**Mrs. Moore:** Who's ready for a week full of adventure? Come take a hike this summer with Freddie Falcon and hear a few TALL TALES around the campground. There will be plenty of projects going on too! Hope to see you soon!

**Miss Wallin:** Come TAKE A HIKE with Miss Wallin to explore the wonders of science in nature. Be prepared to be the catch of the day and have S'More fun than you can imagine! Happy trails to happy campers!

**Miss O'Connor:** Let's get excited to take a HIKE with Freddy Falcon. I cannot wait to play S'MORE games and learn how to be SWEET and STICK together! Everyone is sure to leave a happy camper.

### Grades 3-4

**Mrs. Bibb:** Come explore the great outdoors! There will be hands-on crafts and activities! We will have s'more fun than you can imagine!

**Mrs. Moody:** Have you ever heard of a "solar oven"? Well, we're going to do some baking outdoors, with help from Mr. Sun. Let's get ready for "S'MORE FUN" than you can imagine. Come join me, and let's have some fun together. Can't wait to see your smiling faces!

**Miss Mary Kate:** Freddie Falcon is ready for PE! Are you?! You don't want to miss out this summer! We will play so many games and sports such as "red light green light" and soccer and even get to use some hula hoops! I am so excited to see everyone there for the best week of the summer!!

### Grades 5-8

**Mrs. Chanda:**

Come look to nature for inspiration during the week in art class. We will take our inspiration from plants and animals to create some amazing art together. It will be a great time full of creativity and exploration!

**Chef Erica:** Calling all Jr. Chefs... "HIKE ON INTO THE KITCHEN" with me for some great fun!!! You will be able to make some variety of campfire food and join in on the "taste-testing"!! You will also learn about safe cooking and proper clean-up as well!!! Let's have some S'MORE fun!!!

**Coach Cam:** Ready for a jam-packed week of fun P.E games? We will play a variety of games and work on skills & drills from several sports. You don't want to miss out on all the fun, building new skills, and having a blast with friends. Can't wait to see you all there!
