

Little Bites has been serving school lunches for many years, and we are so excited to be partnering with Immaculate Conception this coming year. Our company was born out of seeing kids throw food away and spend the afternoon hungry and as a teacher, I knew the impact that was having on behavior and learning. I set out to create a menu that the kids enjoyed and that they would eat. 11 years later, we have learned a lot about the student populations and have created a consistent menu that meets those needs. Nothing fancy here but you will know that your kids eat what is on their plate.

Our online ordering system is simple to navigate and once your child is in our system, it is a quick and efficient way to manage your lunch account. Our menu is available for one month at a time so you can order all at once or daily. You can order anytime up to 12:00 midnight the night before lunch. You may cancel lunch up until 12:00 midnight. If your child is ill, has a doctor's appointment or will be absent, just log into your account and cancel the lunch. This must be done prior. We cannot cancel for you. To receive credits, you must cancel.

The cost of a hot lunch or an al-a-carte lunch is approximately \$5.00 for K-4th and \$6.00 for 5th-8th. The prices reflect a larger menu and bigger portions for the upper grades. This will include an entrée, vegetable, starch, fruit, and dessert. We will do our best to provide variety but shortages in the food market do impact us so our menu occasionally may be altered slightly due to availability. We appreciate your patronage!

We do not guarantee a peanut free/allergen free environment. We do our best

to prevent cross contamination, but we want you to know that items that we order may have been processed in a plant that handles peanuts, etc., and because we buy items in bulk, the packaging may not be labeled as such.

We encourage you to create an account for your children and then put an icon on your phone, so that if you need to order at the last minute (forgotten lunch, etc.) you will have the ability to do so without being at your computer. Please email any questions or concerns to us directly; Cheryl@pvcc.org.
