

2024-2025 CHURCH LEAGUE ATHLETIC POLICY

ARTICLE 1: PURPOSE

The Church League's primary focus is to foster the academic and religious development of the students at all times. It provides an opportunity for all interested students to learn good sportsmanship and teamwork as well as improve in the basic skills of the sport. The athletic department of each school will strive to encourage the active participation and individual efforts of each student, regardless of skill level. As a result of participating in the sport, the student/athlete should develop a respect for authority (coaches, officials, parents) and a respect for others (teammates, opposing teams).

ARTICLE 2: PROGRAMS

SECTION 1: The Church League sports are cheerleading, volleyball, basketball, track, cross country and quiz bowl. The schools may participate in golf through The First Tee of Central Arkansas. Fourth grade students may participate in flag football as part of the Private School League. Fifth and Sixth grade students may participate in a combined football team that will participate in the Private School League.

SECTION 2: The sports programs are open to any child who wishes to participate as long as he/she is attending an approved member school or church (See Section 5) and meets the academic and conduct requirements.

Exemptions may be made after consultation with the administration and the staff of the Office of Catholic Schools.

SECTION 3: Schools are encouraged to have a sign posted near the entrance of the gym reminding all who enter to show good sportsmanship. Teams will pray together prior to each game/match. The home team is responsible for leading the prayer.

SECTION 8: The Office of Catholic Schools must give approval before a student is allowed to “play down” for a lower grade level team.

As a coach they should be mindful of the physical and emotional safety of the students and not place any student in a position where serious injury may occur. Coaches should be aware that a student's performance may be limited by their present physical and emotional developmental stage. Each student who is a member of the team should receive ample opportunity for playing in games on a regular basis. Persons who abuse these guidelines will lose the privilege of coaching in the Church League.

As officials are part of the team that administers games, we rely on them to keep control of each contest. They should be treated with respect by coaches, players, and fans. The officials have the authority to eject coaches, players, and fans for violations of conduct.

Parents are strongly encouraged to attend games in which their children are participating, as an expression of parental concern for their child's effort. Parents' behavior at games shall exemplify the behavior expected of the child and must reflect positively on the Church League. Belligerent or demeaning comments or actions toward game officials, coaches, players, or other fans will result in ejection from the site. If a parent is ejected from a game, the parent is required to leave the facility. If the parent refuses to leave, the referees will stop the game until the parent exits the facilities. If the parent should refuse to leave, the police may be called. (C4)
