- There will be 3-4 students assigned to a table
- Students will be separated by plexiglass at their table
- There will be “mask breaks” at times such as snack time, lunch, and nap time

Moving Around The School

- Students will be doing very little moving around the building
- There will be schedules for **EVERYTHING**
 - Recess times
 - Lunch locations
- This is to ensure appropriate sanitizing can be done between classes

Lunchtime

- ALL STUDENTS MUST BRING A LUNCH FROM HOME...We will not have extra lunches on campus
 - If a student does not have a lunch a parent will be called to bring one to school
- Students will eat lunch in the classroom most days
- There will be a schedule for us to follow so classes can rotate through the cafeteria a couple of days a week
- Milk will be provided

Recess

- There will be a schedule for all Preschool classes to go out to recess
- Playground equipment will be disinfected between class uses
- Students will be social distanced as much as possible

Mass

- Mass is an important part of your child's Catholic education, therefore we will have Mass for PreK 3 students
- We will begin with Mass being live-streamed to our classroom
- We will monitor and adjust as needed

Drop Off

- School begins at 7:50am
- Drop off begins at 7:15am
- Each child's temperature will be taken before they exit the vehicle
- Any student with a temperature of 100 degrees or above will not be allowed to enter the school
- If you carpool and any child in your car has a temperature of 100 degrees or above, none of the students will be allowed to enter the school

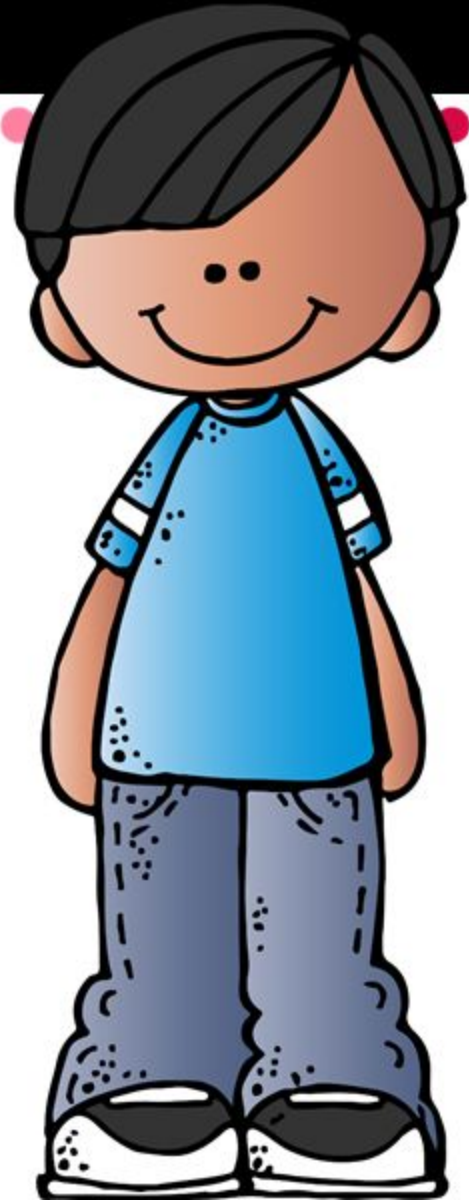

Drop Off Cont.

- The adult dropping off your child will electronically sign them in each day
- Students will be escorted to their classroom by a staff member

1st Day Drop Off

PLEASE DON'T PANIC...WE HAVE A PLAN 😊. We understand it is important for parents to see where their child will be during school and get those 1st day pictures. However, we are only allowing essential personnel in the building. With that being said, parents will not be able to enter the school building to walk their child to class the first day. Please know this was not an easy decision, but we are keeping all children's safety in mind.

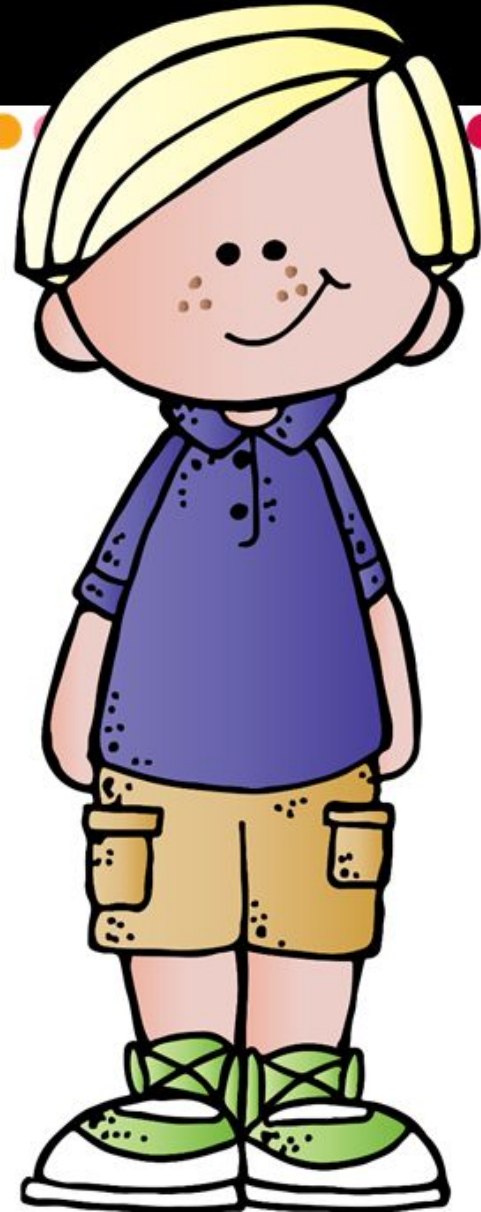

Pick Up

- **PreK 3 Pick-Up begins at 2:30**
- **Families will be assigned a pick up zone**
 - This will be the same as your morning drop off zone
- **We will not be able to lean into cars to buckle them in. The adult picking up the child will buckle them in and must be done before pulling away**
- **This is likely to take a bit longer in the beginning and we will monitor and adjust as needed**

- Birthday treats are still welcome in PreK 3
